Dear Sponsor,

The Delaware Roadrunners 14U Select Baseball Team was founded in 2005 by Ed Zitvogel, II. The Roadrunners are an extension of the Delaware Tech Baseball Team which won the National Junior College World Series in 2001. Ed has also partnered with Mike Neill. Mike was an all star baseball player in Seaford, Delaware, before attending Villanova University. Following his career at Villanova, Mike went on to play in the U.S. Olympics and Major League Baseball. Mike was inducted into the Delaware Baseball Hall of Fame in 2005.

The ultimate goal of the Roadrunner Baseball Program is to develop our players so that they can play baseball following high school. This program not only includes the development of baseball skills, but it also stresses the importance of academics and community service. Players will be expected to maintain a minimum grade requirement and participate in community service projects throughout the area. The players and coaches have also committed to displaying positive sportsmanship at all times.

Like all travel teams we are greatly indebted to our sponsors. Without their help it would be nearly impossible to achieve our goals. We would especially like to thank the Delaware Tech Baseball Program and their coach Curtis Brock. We model our uniforms like the Delaware Tech team.

Help from businesses and organizations like yours provides our team the opportunity to purchase necessary equipment, uniforms, and play in tournaments. Your sponsorship will also be greatly appreciated. In return for your sponsorship, the team will provide community service for your business or organization. Depending on your level of sponsorship, you may receive a listing on our banner that is placed behind the dugout of all our games, a plaque for your business or organization, and a website listing with a link to your website. Attached is a 2007-2008 Sponsorship Form for your convenience.

We appreciate your consideration to sponsor the 14U Delaware Roadrunners Select Baseball Team. Thank you.
